Pursuant to our telephone conversation of this morning in which I requested that you vacate the attached Default Orders for the reason that the taxpayers forwarded the documents to my office while I was away on vacation out of the country in August.

Mine is a one-man practice, and upon my return, their matter was one of several hundred pieces of mail received during my 4-week vacation. We had scheduled all IRS cases, audits and extensive out of town travel and regular appointments for September until now and were unable to meet with the Wolski's to review our fees for this additional service on the appeal and any additional documentation that was not submitted at the conference.

I understand that the request to vacate the Default Order is conditional upon filing a perfected petition within 45 days to continue with this matter.

Your cooperation in this matter is greatly appreciated.

Sincerely,
